Tomorrow Cleanup Day at Local Cemeteries

Tomorrow is cleanup day at both the old and the new cemeteries and those who have a few leisure hours are urged to assist in the good cause. A number of people have signified their desire to assist in the beautifying the homes of the departed, and those having cars who are willing to carry the workers to and from the grounds are requested to notify Shelton McClain at the fire station.

CREEK IS OPEN REGARDLESS OF FALSE REPORT

Kingston Creek Only Closed to Fishermen Short Distance in Lander County.

The Bonanza is in receipt of a communication from J. W. McGowan, supervisor of the Toiyabe national forest, denying that all of Kingston creek on the Toiyabe national forest has been closed to fishing, as a local moonshine sheet down the street would have its readers believe through an article that appeared on May 19. A portion of Kingston creek has been closed, from the upper Danjels field to the head of the stream in Lander county, a distance of one-half mile, under an ordinance passed by the commissioners of that county, but the rest of the stream is open to fishing, in accordance with the state game and fish laws.

Supervisor McGowan has the following to say regarding this blunder of the moonshine sheet: "This is an error and I would very much like that the public be given corrected information. The portion of Kingston creek which has been closed according to law, and by the Lander county board of commissioners, which, however, was done at the request of the forest supervisor, is that portion of Kingston creek from the upper Albert Danjels field to the head of the stream, or for a distance of one-half mile. We are enclosing a copy of the published notice for your information. The balance of the stream will be open to fishing as in the past and in accordance with the state fish and game laws.

"The closed portion has been posted with the proper signs and notices and also a notice has been posted in the lower end of the canyon notifying all parties interested. The stream has been closed in order that a breeding ground can be protected that the balance of the stream can be assured of a supply of fish at all times. "Different citizens have been requested to act as game wardens in order that the laws can be enforced regarding the closed areas on the different streams, it being the idea that anyone breaking the fish and game laws of the state may have the pleasure of meeting a game warden unexpectedly, instead of only having to look out for the few forest rangers and law officers as has been the custom in the past."

The big event of this week will be the dance to be given Saturday night at Eagles hall. Good music, good floor and good time. M26-21.

NOTICE EAGLES. Initiation exercises tonight, followed by big feed. Members of No. 271 and visiting brothers are urgently requested to be present. SHELTON McCLAIN, W. P.

Republican County Central Committee of Nye County, Nevada, By MARK BRADSHAW, Chairman, FRED NINNIS, Secretary.

OH, BEN, IT'S REAL FUNNY WE FOUND OUT

The acrimonious retort in this morning's paper in reply to the general friendly "dig" given the democratic committee in last night's Bonanza should not be answered because the party who was so "pent up" didn't have the temerity to sign his name. Generally, when one has such a chip on his shoulder as "democratic committeeman" carried, he would sign his name so the world would know there is yet one good democrat.

In reply we must give him a name shorter than the one signed, so let's call him plain "Ben"—that's shorter.

Ben says the democrats have met and appointed their delegates. Let us then ask Ben if this was done properly, or the number computed correctly. He says the republicans will have to hold their assembly in the street, so let us ask him if the chairs in either the Liberty or the Butler theaters are not more "comfy" than those of the hall they have selected.

Ben says the republicans are hopelessly divided; let us tell him that if there was a little strife in their ranks it would show life, that there is no motion or action in a carion, except that of worms. In conclusion let us tell Ben that it is awful bad taste to become too sanguine of singing the victory song, because if he does he will have done battle with the durndestly well organized opposition that he ever encountered.

MARK BRADSHAW, A Republican Committeeman

Liberty Theater Secured For Republican Convention

The Liberty theater has been secured by Mark G. Bradshaw, chairman, as the place for holding the republican convention in Tonopah on June 13th. Notice of convention and number of delegates each precinct is entitled to under the vote cast at the last general election, so far as it applies to congressmen, appears in other part of this paper.

Small Shack Burned.

A small shack on fire some distance from the Ohio shaft resulted in the first department responding to an alarm yesterday afternoon shortly after 5 o'clock. The alarm was turned in from the Ohio shaft, but there was nothing that the firemen could do other than let the building be destroyed.

AUSTIN WILL STAND TRIAL DISTRICT COURT

L. Austin, the paperhanger and painter, who has been held in the county jail for the last two weeks upon the charge of uttering worthless paper, was taken before Judge Averill in the district court yesterday afternoon to enter a plea to a direct information that had been filed against him charging forgery. Austin informed the court that he was not ready to plead and that he had no attorney, nor funds with which to employ legal counsel. The court thereupon assigned A. B. Ritchey, Manhattan attorney, to defend him, and the proceedings were continued until Saturday afternoon at 2 o'clock when Mr. Ritchey will be present.

PERCIVAL NASH IS SHOT BY BAD MAN

Percival Nash, federal prohibition officer, and former resident of Nye county, having lived at Manhattan for a number of years, was shot through the left thumb Wednesday night following the arrest of two men named Bates, father and son, who were charged with violating the Volstead act. Following arresting the men, Nash ordered them into the back seat of his car, handcuffing them together, and started towards Reno, 10 miles distant. As the machine approached Lundy hill on north Sierra street, Reno, Nash was commanded by the younger man to stop the car. Thinking the men were jesting he refused to do so, but upon looking around found that a revolver was pressed against his back. Just as he turned, the trigger was pulled and the bullet clipped the skin on his shoulder, creased his breast and struck the left thumb, shattering the bone.
